

MCES C-IED MTC SOP

Annex C

END OF COURSE CRITIQUE

The End of Course Critique provides the school with your reaction to the course you just completed. The information you provide us is treated confidentially and is used to improve the quality of instruction for the overall course. Thank you for your input.

COURSE:

STUDENT NAME:

1. What is your overall evaluation of the instructors?

COMMENTS:

2. What is your overall evaluation of the course?

COMMENTS:

3. Were safety precautions put in place prior to each event as applicable?

COMMENTS:

4. Were there any particular lessons/blocks of instruction that were confusing or could be improved? YES/NO -- If you responded yes, please explain.

COMMENTS:

5. Did the practical application sessions, when used, increase your knowledge of the subject and prepare you for future operations?

COMMENTS:
